4. We have not received any information since reference (e) which stated Lary Martin 493-54-3824 would be on site on 4 May 94, He never arrived at this facility, and the POC and phone numbers on the message were for Okinawa Japan. We would like to finalize this matter as soon as possible as it has been on going for several years, and we are running out of storage space.

5. Any questions can be addressed to HMI Carroll, LPO Nuclear Medicine, DSN: 344-9364, Comm: (671) 344-9364, or Fax: (671) 344-9498.
